

23rd March 2020

Dear Parents, Whanau and Caregivers,

As you will be aware the situation around COVID-19 has rapidly evolved. The Government have announced that we are now at Alert level 3 and will be Alert level 4 within 48 hours.

With immediate effect Marotiri School is closed, until further notice. Teachers are finalising student home learning programmes to support families while students are at home. Parents will be able to collect student workpacks from the school office between 2-4pm tomorrow. We will post updates through our website, facebook and skool loop as they become available.

Kind regards

Rose Symes and Staff
