

## Bike Taupo comes to Marotiri

Dear Parents of Rooms 4, 5 & 6 Yr 1-3

On the 22<sup>nd</sup> June we have the exciting opportunity for our Junior school to take part in the Bike Taupo skills day!

We have Cath from Bike Taupo coming out to Marotiri School to take our students through a series of basic riding skills, building confidence and safety awareness.

The aim is to get kids on bikes, get them pedalling and get them smiling. Even if your child has not ridden a bike before by themselves this is the perfect opportunity as this is Cath's main focus. Following the fundamental training Cath will then build on these layers as their skills develop.

The session time will run from 9am – 12pm on the day but we will split the Junior school into their classes so they each get an hour.

What we need from parents is as many bikes and appropriately fitting helmets as possible transported to school on the day for your children to use (if you have spare bikes at home that another classmate could use please bring this also!). If it is chilly on the day pop a pair of gloves in your kids bag to keep their hands toasty.

If you are available to help on the day I know Cath would appreciate some extra hands to ensure things go smoothly and to help with directing the cycling traffic 😊

Any questions or queries feel free to fire them my way.

An information flyer from Bike Taupo is available to view on Skool Loop and the Marotiri School's Web and Facebook page.

Thankyou in advance for your help

Nic Chamberlin
