

## **Taupo Rippa Rugby Tournament has been rescheduled for term 3!**

The opportunity is for a Year 5/6 team and / or a Year 7/8 team (it is possible for a younger player who is confident to play up if we need the numbers to make a team work). The tournament is to be held on the 19th August (week 5) so we would need to ensure we had enough committed kids to make a team in either age group.

It would also be great to have a couple of parents to put their hand up to come and run some practice sessions for the kids leading up to the tournament. I realise this is over calving time for many of us so any help would be much, much appreciated. Let me know who is keen.

Cheers

**Nic Chamberlin**
