NETBALL

The Marotiri Stars, Magic and Diamonds all had their first games in the weekend with huge success and enjoyment by all the girls. Thankyou, also, to the huge support shown on the sidelines – great job.

RUGBY – club rugby has kicked off now with some great results for our students involved.

Other Dates to remember:

📌 **11th August:** Josh from King Country Rugby is coming to school to take the Rippa Rugby teams for a training session! We are still looking for a parent to help coach a couple of other sessions at school before the tournament to ensure our kids are up to speed.

📌 **13th August:** Marotiri Cross Country! One of the highlights of the sporting calendar and a great reason to get off the farm and come down to cheer on our students.

📌 **19th August:** Rippa Rugby Tournament in Taupo. We have 2 teams registered for this tournament – Years 5&6 and Years 7&8 which is superb. We will need parent support to transport the kids to and from the venue on the day. ***Rugby Registration forms will come home this week for those children entered – please keep an eye out for these and get them back to school ASAP as they are required by King Country Rugby in order to be able to play.***

📌 **8th September:** Golf Taster session for Years 5 – 8.

📌 **10th & 11th September:** Year 7&8 Cycle Skills training in Taupo.

📌 **18th September:** Pinelands Rugby 7's Tournament Year 4-8 at Whakamaru.
