

15 October 2020

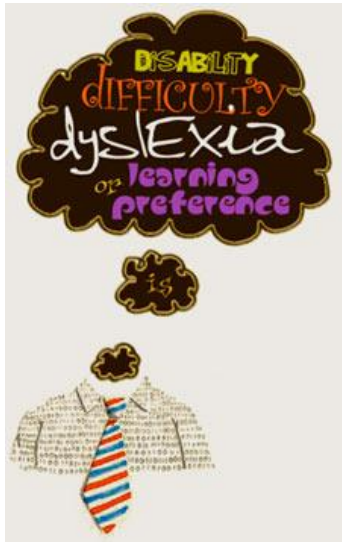

Dear Parents and Whanau

A few notices which we need to draw to your attention before our next Marotiri Messenger.

### **AG Day Tomorrow**

This is a special school day. There is an expectation that children and families attend. **Please Note: We do not run school buses on Ag Day.**

**Tuesday 20<sup>th</sup> October (Dyslexia Information Evening for Parents)**  
**Marotiri School Staffroom – Jocelyn Moyle SPELD and NZCER registered assessor**

Joce Moyle will be presenting a Parent Information Evening on **Dyslexia** in the school staffroom at 6.30pm. All parents welcome to an informative presentation on the recognition, understanding, and helpful solutions.

### **School Photos on Tuesday 20<sup>th</sup> October**

School Photos will be taken by Masterpiece Photography from 9:00am.

- Sports teams will be taken first, soccer followed on by netball, so the coaches do not have to hang around. For soccer team photos, players need to wear their boots, socks and shorts. The team sports shirts are at school. For Netball, players will need to wear their netball shoes. Netball dresses are at school, but if you have not yet returned your netball dress you will need to bring with you on Tuesday.
- Families who have younger siblings need to be at school by 9:30am for family and sibling photos. There can be a little waiting around so please be patient.
- Following on will be all class photos, individual and school sibling photos.

Kind regards  
Rose Symes and Staff
