Please Note: If you have any concerns about individual students, please make a separate time to discuss these with their teacher as this is a general information evening only.

FOS MEETING

FOS are desperately seeking new members to help with all the organising and running of fundraising events due to longstanding members' children leaving primary.

We will be calling a meeting shortly once Alert Levels have settled.

ROOM 5 & 6 CAMP

We are awaiting the Government's decision on Wednesday night as to Alert Level status. If we remain at Alert Level 2, the room 5 & 6 camp and associated activities will **not go ahead**. If this happens we will endeavour to re-schedule for another date when we return to Alert Level 1.

Kind regards

Rose Symes & Staff
